“ My dear aunt I miss you like crazy!! While I'm glad you aren't suffering anymore, I still can't believe you're gone! Heartbroken is an understatement. I already miss you yelling at the TV. Take your rest and I'll see you in the morning!!

“ My Dearest Artense, It is so hard to believe that you're actually gone. I feel like this is just a dream. When you left us, you broke our hearts in many pieces. Although I was not ready for you to go, I know God wanted you with him. You are in my thoughts always. I MISS YOU SO MUCH! I thank GOD for sharing you with me and the rest of our family. I feel honored that you were in my life. I will never forget the way you always SHARED with me. You had a very big heart and I will always remember your love and kindness. You was truly a very special lady. I will love and miss you forever. Until we meet again, REST WELL MY BEAUTIFUL QUEEN. Love you always! Cousin Valerie

“ In respect of a 'cousin - sister', of whom we shared various styles of clothing, the love of food and writing! I am the more richer for having such as you! Strong, brave and always giving of yourself. Missing you cannot begin to speak to what I feel. But what I do know is that God is good and His mercy endures forever! you once shared something with me and it is in the making! Love you dearly!

“ To my beautiful Sister Tish. Ooh how i miss our regular talks and laughs moments about you and mom (Lavern and Shirley moments) My heart has been left broken since the day you had to go and the memories i treasure dearly are in tears that still flow. You are in my thoughts everyday and that's how it will always be, for you are in heaven now but you'll always be with me.
Love Diane Giles.
