

Baby Boy Roshard Deion Johnson

March 5, 2024 - April 5, 2024

March 5, 2024, weighing 7 lbs 7oz. His arrival was met with joy and excitement as his family welcomed him with open arms. He was a precious, sweet, handsome, and innocent baby boy who captured the hearts of his family from the very beginning.

Unfortunately, his time with us was brief, and he took his last breath on April 5, 2024. Despite the terrible circumstances surrounding his birth, throughout all the negligence, confusion, frustration, anger, sadness, heartache, and pain, Roshard's story reminds us that God works all things together for our good and His glory. We find comfort in the fact that he left behind a powerful testimony of God's grace, mercy, faithfulness, and love.

Baby Roshard's story will be forever cherished by his family. Roshard was preceded in death by his grandfather, Roosevelt Mack, Jr., and his uncle, Michael Scott, Jr. He was survived by: his mother, Monica Mack; father, Roshawn Johnson; and siblings, Roshawna, Roshawn, Jr., Royal, and Ray'Shawn. He also leaves behind his loving grandparents, Shelia Mack, Lorraine Johnson-Scott (Big Mike), and Gerald Woodworth, as well as many aunts, uncles, and cousins. We know that it won't be easy to move on from this loss, but we believe it is necessary to remember and share Roshard's story. We take comfort in knowing that he is now resting in peace and that his memory will live on in our hearts forever.

To God be the glory.
