Revelation 21:4

### LIFE'S JOURNEY

On Jan. 10, 1994 in Galveston, Texas, a handsome baby boy was born to the parents of Robert Anthony (Highway Bert) Johnican and Yulonda (Boo) Michelle George. They named him Da'Marcus Trinell George.

Da'Marcus received his formal education from Dickinson ISD graduating with the Class of 2013. He was employed by the City of Houston with “National Works Company.”

Da'Marcus was raised in a loving and Christian home and was taught at an early age to pray continuously and to always give honor, glory and praise to God. He was a, caring, devoted and loving son and father. Da'Marcus was very charismatic and funny. He loved to make people laugh and to dance especially to the sounds of 2Pac Shakur. Although he loved his “hair waves” Da'Marcus got a bald haircut as he wanted a bald look just like his daddy! He loved reading his bible daily and taking walks while meditating and communing with his Lord. Da'Marcus also loved history programs and

watching documentaries about animals. No matter what trials and tribulations he faced throughout his life, he remained optimistic and humble never losing his faith. He was always ready to help others in God.

On June 1, 2023, Da'Marcus Trinell George departed his earthly life for his heavenly home to be with the Lord forever. He is preceded in death by grandfathers, Elijah Hagler, Jr, and Robert Louis Ellis.

“ We just want to extend our deepest condolences and prayers. This is still so hard to grasp. I pray your families grow stronger together through this pain, and draw closer to God and lean on only his understanding. To Yulonda, my booski, you will forever be in my prayers and you know that. To the rest of the family we love you and may God give you all peace in the promise of the resurrection.
