“ *In Loving Memory of Dad,*

*Thank you for being the best dad anyone could ask for. You were always there for me, a steady shoulder to lean on, offering wisdom and unwavering support. Your kindness, patience, and love have shaped who I am today. I'll forever cherish the memories, laughter, and lessons you shared. You may be gone, but your legacy and the love you gave will live on in my heart forever.*

*With all my love,

“ *My prayers and condolences to Doyle's family on their loss. I was a Dickinson High School classmate of Doyle. He was a very talented athlete, lettering in football, basketball, and baseball. He was a good teammate and pleasant guy to be around. I recall seeing him at a class reunion some years ago, and he was still the pleasant, understated guy I knew in high school. May he rest in peace. God Bless,*

*I was also a classmate and teammate of Doyle. Due to an injury, I missed the last part of my junior season which was his senior season. Doyle's glove came apart and I loaned him mine. When he returned it after the season, he had relaced it which I greatly appreciated. When I thanked him, he told me how much he appreciated me letting him use it. That's the kind of guy he was. He was always happy and I shared many laughs with him. He also had one of the best curveballs I ever faced. Not to take anything away from his fastball, but his curve was a real knee buckler. He was a good person and a good teammate and friend. His older brother Larry (I hope I have remembered that correctly) also coached us in summer league baseball. I remember Larry having a similar personality to Doyle and being a lot of fun to be around just like Doyle. My most sincere condolences to his family and loved ones. I'm sure his absence will create a void in the family, but remembering his friendly nature should bring comfort.*

*With much sympathy,*
