Eugene was my friend for the seven years I lived next door to him. He was always smiling, always ready to visit and enjoy a chat with me when I was outside going for my walk. He and his friends kept his patio alive with get-togethers and Halloween, oh my word, he loved to go all out for the kids who came trick or treating. He was a good friend and a good neighbor. I will always remember him and his smile. RIP, my friend
