“ *The life of a person is measured not with the years, but with the footprint that she leaves in other peoples’ lives, thoughts and hearts.*

It has been many years since we worked together, but I remember Eula as hardworking, reliable, and fun. May her family know that she will missed and remembered by her JSC co-workers.

*To Eula’s family,
I am sorry for your loss of this extraordinary woman. Eula always had a kind word for me when we worked together other at the Johnson Space Center. She contributed her talents to many NASA programs and had a great sense of humor.*
