“ Uncle, I just can not stop crying, you were my friend, you were my support, you were the one who kept me in a straight line, you were my therapy, I could talk to you about anything, you kept me abreast of my family history, you supported me in every way. I remember in 1966 at your's and aunt Mildred's wedding and we all were so happy and we had so much love for family. You and your brother, my other uncle, Lawrence Edward were a pair that no one could seperate. I love you, UNC and I am prayer for your family for God's peace that surpasses all understanding. Rest in Peace, uncle. I will hold you in my heart until the day that I die. I love you always..
