Born and raised in GA, Justin moved to League City, TX in 2015 with his family at the age of fifteen. Justin was a brilliant and talented child of GOD who had an amazing impact on the lives he encountered and touched in the brief period he spent here with us in the land of the living. His life was dedicated and given to the Lord through his christening ceremony in 2001 at Hopewell Baptist Church where he grew up attending with his parents through his youthful years.

Justin was a smart, kind, and loving child beginning his education at the City of Hope Child Development Center in Norcross, GA. He then went on to attend the Hopewell Christian Academy where he was a student through the fourth grade. There he began to develop his own personal relationship with GOD with many of his peers. Justin furthered his education from fifth grade through ninth grade in the Gwinnett County Public School; System, where he was the recipient of several academic and athletic awards, including being recognized as a Duke Talent Identification Program recipient in 2012 for his academic excellence.

Justin continued his educational journey in League City, TX where he graduated from Clear Creek High School as a member of the 2018 class. Justin held various jobs in the service industry over the course of his adult life.

He was a resolute and dependable worker and most recently had been promoted as one of the managers at the company he worked for at the time of his passing.

Left to cherish the memory of Justin, his father, Eric M. Hairston and his loving mother, Anica D. Hairston; his beloved sister, E. Rileigh Hairston; his grandfather, William M. “ My dearest condolences and sincerest apologies. I knew Justin since middle school and was devastated when I got the news. I received word from Jae and Kadeem, not long after the memorial, and wanted to be able to send flowers in my absence. Between me, Kadeem, Jae, and a few others we saw Justin as a brother more than a friend. We didn't even have classes together, but we were all able to meet up at lunch and make the best of the short time we had. Our friend was a man of many talents and ideas who never stopped pushing us to be something special. You all have raised an amazing young man who had an impact on all of our lives. His memory will live on for generations and serve to inspire everyone. I know in the end, we'll all meet again and look forward to the day to be able to laugh and joke with the comedian of a man I've grown to know.

In peace, love, and brotherhood,
