“ My favorite babysitter. She had so many Barbies, never told me no and I never wanted to leave when it was time to go. I loved her and her mother dearly. My condolences.

“ I am thankful for the friendship that I had knowing Minnie! We were as thick as thieves back in the late 90's. She was an awesome musician. Minnie's musical talents and abilities were very unique. She had her own distinct style, sound, and touch. We both strived to be better musicians... we would go to Musicals together.. just wherever. She loved music. Minnie was so brilliant! Her interpretation on a shared song we would play was always precise and sharp.. to the T. She also possessed an extremely keen ear for music and she could play anything... to perfection. She NEVER missed a note. Her chord patterns were always structured and precise. She could train a choir!!! I admired her so much as she could play like no other musician that I knew. Her singing ability was second to none. Minnie aspired to go further in Music. Playing for church and musicals was not enough for Minnie. She was a Trailblazer, composer, song writer, choir director.. you name it Minnie could deliver. GMWA chose a song that Minnie had written to be taught and sung at the Workshop!! She was phenomenal. She had a voice range that was undeniable. God has chosen my friend and co-laborer in Music to play and sing in HIS Heavenly choir... my heart is filled with gratitude that I was blessed to know Minnie Cleveland-Vallair. Servant WELL DONE. That's what I want to hear the Lord say In that GREAT GETTING UP MORNING. May your soul Rest In Peace my Dear friend. I'll never forget you.

“Minnie Cleveland was more than a mentor to me—she was my big sister. She poured into me musically at a time when I was still finding my way, and I will forever be grateful for the doors she opened and the lessons she shared. I will never forget the opportunity she gave me to clinic my very first Gospel Workshop at Fellowship Baptist Church back in 1998—that moment helped shape the path of my ministry and musicianship.

Years later, in 2015, she blessed me again by inviting me to sing on her project, another reminder of her generosity, belief in others, and love for music and ministry. While I regret that we hadn't spoken in some time, I will always cherish her memory, her wisdom, and the many good times we shared. Minnie's impact on my life will never be forgotten. Rest well, my big sister. Thank you for everything.

“ I’ve known Minnie for many years, but in recent months the Lord presented me with the opportunity to know her better. What a sweet spirit! From our short period true friendship, I can say that the way she lived spoke for itself. To her family, Psalm 116:15 says, precious in the sight of the Lord is the death of His saints. Be blessed in the Lord and cast your care on Him for He cares for you.
