“ My deepest condolences to all of the Thompson family. I lovingly shared some wonderful moments with Aunt Myrna, as she became like a second Mom and friend to me, we would have the longest and funniest conversations about all aspects of life. I have spent Thanksgiving with her and the family and they were all moments to always remember. She is so kind and caring, you always felt love in her presence. All of her children were all so blessed to have her as their Mother. Now she is resting in Paradise with our Lord and Saviour, and as humans that is all we can pray for at the end of this journey. Aunt Myrna, your laughter and love will always remain in my heart. RIP, Jennifer Brice

“ "Incredibly beautiful, inside and out. Sweet Spirt, demonstrating the love a mother has for her children and sharing it with others...hard working, sacrificing, strong, deliberate and kind" These are all the adjectives I think about when I reflect on Ms. Myrna. I met her as a result of meeting her daughter Julie in college, but she and I had our own genuine relationship. If we'd not talked in awhile, when I called her it was like no time had passed. She was such a SWEETHEART!!!!and I thank her for giving some of that love to me. I leave this message to her children, grands and great grands....Continue to make her proud through your actions and love for one another. Live the legacy that SHE instilled in you and ABOVE ALL KEEP GOD FIRST. I love you all! A friend always, Debbie Jordan
