My sweet sweet friend. I was looking forward to seeing you in a few months. I had no idea you would be gone. We had good times back when we lived in Gulf Breeze apartments. I moved away and I always missed you.

“ As a former student of hers as my teachers special education aide she was an amazing person I was extremely close with in middle school, I had no absolute idea she had passed away until recently. We and my classmates will miss you dearly ms meadows my god give you your heavenly wings in heaven and we will see each other soon in the arms of god!

Rhonda my sweet friend, my you fly with the angels and be happy. I had no idea you had passed till a friend of ours told me. I had just spoke to you and I was never told of health issues. We were planning a visit and never fantomed I wouldn't see you anymore. I know you are in heaven looking down with a huge smile on your face. You will be dearly missed.

Love always

Mary Williams and son, Landon Sorensen and his family.

“ I met Ms. Meadows at Weis Middle School. I would walk into the classroom in the mornings and hear old school music jamming. At first I didn't know where it was coming from, but soon found out it was her. She was a joy to be around, always smiling and have something funny to say that will have you cracking up. She was truly missed when we returned back to school this year. Now she really will be missed because God saw fit for her to be with Him. “To be absent from the body is to be present with the Lord “ May God be with her family at this time 🙏

“ I met Meadows at Austin middle school. She was a Para and I was the cafeteria manager there. She always came in the cafe in the morning with her music playing all upbeat always smiling.. Most of the kids used to gather at her table and chat with her. I know one year for the talent show she sang a song and had everyone in tears. Prayers for her family. Fly high beautiful

“ I met her when I started working at Austin Middle School, and several days before school started teachers and Paras ect ect had to come to a meeting. I was sitting to myself being shy, quiet, and just looking. She came over and started talking to me had me laughing and told me she was going to break me out that shyness. Ms. Rhonda Meadows was a firecracker lol but a beautiful and sweet person with a big heart. She loved all the students and she just had a big heart. This one hurt but I'm going to miss her. Last thing she told me was "don't let nobody run you off, you hear what I said" then said she loved me and be safe. I'm gone really really miss her.
